Distance Learning Framework

M-DCPS has prepared its comprehensive Instructional Continuity Plan (ICP) and shared it with teachers, students and parents. This information may be found at <http://icp.dadeschools.net/>. Students can access their applications via the Student Portal.

Internet Access @ Home

Comcast is offering free Wi-Fi via Xfinity hotspots where Xfinity service is available for 60 days. For a map of Xfinity Wi-Fi hotspots, visit www.xfinity.com/wifi. This is in addition to the Internet Essentials Program, that will provide an in-home modem and 60 days of free service for eligible M-DCPS families. More information about the free internet service can be found at <http://distancelearning.dadeschools.net/>. Comcast has also agreed to provide flexibility on late fees and payment options. You may contact Comcast at 1-800-Comcast.

Families are strongly encouraged to take advantage of the Internet Essentials program that includes an in-home Wi-Fi modem, which provides a more stable internet experience. This program is free for NEW eligible users for 60 days and then is \$9.95 per month, should the customer wish to continue the service. For information on Internet Essentials and to sign up via smartphone, tablet or computer, go to <https://www.internetessentials.com>.
