BrainPOP ELL

Remember to continue to have your child work on their BrainPOP ELL program over the summer:

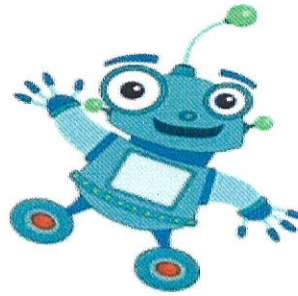

1. Please use a laptop, tablet, or desktop computer. Cell phones are not **supported** (*Make sure your child is working independently*)
2. **Log in SCHOOL PORTAL to access the BrainPOP ELL app**
3. Contact your child's teacher if you need to receive their login credentials
4. Once logged in to their School Portal they can access their BrainPOP ELL through their Apps (*same as they have been doing throughout the school year*)
5. BrainPOP will take them throughout the program during their use over the summer

This is a great opportunity for your child to enhance their learning for the following school year.

Thank you for your continuous support and time.

Have a great summer,

Your SBE Teacher.

Continue working on your Imagine Learning during the Summer

Imagine Literacy At Home

Imagine Language & Literacy and Imagine Español

Follow these simple steps to help your child continue working on their Imagine Learning program over the summer:

1. Please use a laptop, tablet, or desktop computer. Cell phones are not supported (*Make sure your child is working independently*)
2. **Use SCHOOL PORTAL to Log in for Imagine Learning**
3. Contact your child's teacher if you need to receive their login credentials
- Still not able to login? Email or text [Support](#)
4. Watch the Parent Introduction in [English](#) or [Spanish](#)
5. Students in Language & Literacy [watch](#) this video
6. Students in Español watch this video in [Spanish](#) or [English](#).
7. Students can learn about Booster Bits in [English](#) or [Spanish](#)

It is important to continue the program daily during the summer. This will be a great advantage and opportunity for your child to excel for the next school year.

Thank you for your continuous support and time.

Have a great summer,

Your SBE Teacher.
