SILVER BLUFF ELEMENTARY SCHOOL MISSION

Our mission is to focus on academic and personal excellence through research-based instructional programs, expanding current teaching methodologies, increasing parental involvement, organizing available community resources, and planning to meet the needs of the whole child in the 21st Century.

GET INVOLVED

We encourage parents and the community to be a part of our school family through:

- Become a Community Partner
- Attend EESAC (School Advisory Council) meetings
- Join the PTA (Parent Teacher Association)
- Volunteer

STEAM Gold Award Recipient

21ST CENTURY LEARNING

Throughout all subject areas, students are exposed to experiences that:

- develop their social skills,
- enhance their creativity, critical thinking and problem-solving skills,
- improve their ability to work well with others,
- strengthen their metacognitive skills so that they will become lifelong learners,
- are rigorous, hands-on, and FUN!
